

The Briefing Meeting for the Kernersville Board of Aldermen scheduled for May 30 will begin at 4:30 PM rather than the usual 6:30 PM to allow time for discussion of the proposed budget for fiscal year 2018-2019. The briefing on the June 5 agenda will begin immediately following the budget discussion.

The public hearing on the budget will still be held at the Regular Meeting of the Kernersville Board of Aldermen on June 5, and that meeting will begin at 7:00 PM.
