

Route 17 Kernersville/Winston-Salem Express

Feedback on proposed service enhancements due September 6th.

Thanks to Business 40 Mitigation funding, PART is proposing to add more service from Kernersville into Winston-Salem and move the Park & Ride Lot for Kernersville to Town Hall. The proposed schedule would add to the Route 17 service and provide many more mid-day runs and more service during peak hours.

This schedule is subject to change, check back for final versions.
