Provision 8. Critical Trades Interpretations:

1. Most jobs can be done for renovations, repairs, upfits, etc. Landscapers are allowed to mow yards BUT they are not allowed to do other jobs (planting of bushes/flowers, pine needles, etc) because it is not essential for the operation of the residence or for the safety/sanitation of the residence. They are allowed to address dangerous situations such as a dead tree, sinkhole, etc.

2. The Town's **current construction site** interpretation in Forsyth and Guilford County, following Winston-Salem interpretation, is that **new construction** sites under 10 workers are still allowed. Social distancing must be enforced by the contractor in charged.
