

TOWN OF KERNERSVILLE

Curtis Swisher, Town Manager
Doran Maltba, Director

PO Box 728
Kernersville, NC 27285-0728

Telephone (336) 996-6916
Fax (336) 996-4059

The Town of Kernersville will be removing (Milling) and placing new asphalt on your street. This work will start on Monday, Oct. 17th, 2022. Weather permitting. This date can change.

- Forest Park Sub Div. Will have road work performed. This does NOT include Forest Drive.

All roads will be open to traffic. There will be traffic control onsite to maintain safety. This project will take 5 days to complete. Please be patient and be mindful of the workers.

Portions of old asphalt will be removed, then new asphalt will follow.

The work will be conducted between the hours of 7AM to 7PM.

We also request that all vehicles be removed from the streets to allow the work to be done. There is a small bit of down time between each process. To allow for cleanup of equipment.

The process will be done in two different phases:

- 1) Milling of old Asphalt
- 2) Laying down of the new asphalt

If there are any vehicles left in the streets during construction, the vehicles will be towed at the owner's expense.

We do apologize for any inconvenience this will cause. The process is part of a larger project known as Sewer Rehab.

If you have any concerns regarding this, please call:

Chis Decoskey (336)996-3382 or Lee Gosey (336) 414-3951

Thank You, Chris Decoskey Chief Inspector CPWP-S
